trunki
luggage for little people

Wave good bye to tiring travel, tears and tantrums with an award winning Trunki – the world's first ride-on suitcase for globetrotting tots! Designed especially for little ones who can pack, sit-on and ride their own luggage, whilst parents can keep them in tow. At only £24.99 it's the ultimate travelling companion.

"Teila was able to scoot around on Trunki rather than climb tables and chairs or run off through customs!" Telling Family, France April '06

Comfortable saddle

Rest tired legs in queues and you'll never hear "my feet hurt" again

Integrated wheels

Extra wide wheel base for superb cornering

Top quality

Made from the same lightweight durable plastic as grown ups' cases

Horn grips

Take control, grab the horns and steer your Trunki

Secure catches

Keep favourite possessions safe inside for the ride

Stabilisers

Prevent over-excited tots from toppling off

"Freddie was practicing packing his Trunki in anticipation of our trip to Spain for a month – it's had a great second life as a toy box since returning as well!" Lane Family: Spain August '06

Full to the brim

With 18 litres of space to pack favourite toys and games, tots won't be getting bored on holiday

Soft rubber rim

To protect little fingers when packing

Secret compartments

for storing sweets and the little things kids love

"I could pull my children along, whilst carrying my hand luggage & handbag. Would recommend it hugely!" Blight family, Jersey August '06

ID tag

Just in case your Trunki or tot get lost

Towing handle

So you can easily carry your hand luggage and keep the kids in tow

Strap

Throw over shoulder if you're in a rush

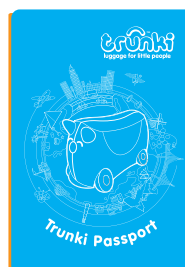

Strong hooks

Tow several tots at a time!

NEW Trunki passport

Your new Trunki will come with its very own passport, which can be filled with exciting downloads, keeping tots entertained when Trunki has been stowed away.
